

*Attn: Owner, General or Estimating Manager*

**Mountainlands Area Plan Room**

Re: Recognizing a **Top Bid Coordinator....**

*Who really helps the estimators get plans out & the bids in!*

Please consider nominating a great coordinator & help us recognize any one, from the General Contracting community. Or owners, engineering & architectural firms have great coordinators too.

<p><i>Nominee/Individual's</i></p> <p><i>Name.....</i></p> <p><i>Company Name:.....</i></p> <p><i>Phone.....</i></p>
--

Not an estimator, ASPE just did that. Tell us who he or she is in your mind that helps you get the plans and assists the sub or bid process.

*For the nominee mentioned the most, there will be statewide recognition; personal prizes; local press releases; there is a free year long logo on ConstructUtah.net & Free year long plan room membership or extension for their company. Plus, we will invite the successful Bid Coordinator and their supervisor (plus partners) to a dinner meeting in January (the Construction Forecast) as our guest to receive a recognition award. Plus more.*

*Best regards*
